Please note that this is not a KALW email address, it is a gmail account. Additionally the website listed is bogus. Or at least my browser could not find it.

Subject: MEDIA REQUEST: KALW Public Local Radio

Dear Mr. David Stensby,

I am a reporter for KALW Public Local Radio in San Francisco. We are working on a story about Treasure Island and the clean-up taking place. We would like to include you in our report and give you the opportunity to share what your department is undertaking, as well as what future plans are in place for residents on Treasure Island.

Would you be available to interview?

Thank you,

--
